Roll on Admissions (For Students already enrolled with the College)

The Roll on System of admission has been introduced by the H.P. University in order to streamline the system of admission and to increase the days of effective teaching. This System of admission is applicable only to those students who are already enrolled with the college under Annual System in the academic sessions 2021-22. These students can seek provisional roll-on admission to the successive classes without waiting for the University result. These students can procure the college prospectus and fill the admission form accordingly. Thereafter, the admission form is to be produced before the admission committee and scrutiny committee and then finally be approved by the Principal of the college. After seeking approval of the Principal, the candidates will deposit the fee and funds within the stipulated time. On declaration of results all the enrolled students (Passed, Failed or Compartment) will go through the regularization of their admission as per HPU norms.

Report on Menstrual Health and Hygiene Awareness Lecture by Women Cell

Event: Sensitization Program on Menstrual Health and Hygiene

Organized by: Ganpati Education Society

Venue: Government College Ramshehar

Date: 21st August 2024

On 21st August 2024, a sensitization program on menstrual health and hygiene was conducted at Government College Ramshehar by the Ganpati Education Society, a notable NGO dedicated to educational and social welfare activities. The event aimed to raise awareness among the students about the critical aspects of menstrual health, addressing common challenges and misconceptions related to menstruation.

Key Speakers

The session was led by:

- Dr. Roshan Lal Sharma, Director of Ganpati Education Society.
- Anjana Thakur, Training Coordinator. (94180-79043)
- Anupam, Social Worker.
- Krishna Thakur, Social Worker.
- Balak Ram, Social Worker.

Overview of the Session

The program began with an introductory speech by Dr. Roshanlal Sharma, who set the tone for the session by emphasizing the importance of menstrual health in the overall well-being of individuals, particularly adolescents. He highlighted the need for awareness and education to combat the stigma and misinformation surrounding menstruation.

Following aspects have been discussed:

1. Adolescent Issues Related to Menstruation:

They addressed the common challenges faced by adolescents during menstruation. They spoke about the physical and emotional changes that occur during puberty and how these can impact menstrual health. They also highlighted the importance of proper nutrition, regular exercise, and stress management in maintaining menstrual health.

2. Awareness of Menstrual-Related Diseases:

The session then moved to a discussion on diseases and disorders that can occur during the menstrual period. The speakers discussed conditions such as dysmenorrhea (painful periods), menorrhagia (heavy bleeding), and premenstrual syndrome (PMS). They explained the symptoms, potential causes, and the importance of seeking medical advice for these conditions. The aim was to encourage students to be vigilant about their menstrual health and to understand when to seek help.

COMPREHENSIVE MENTOR-MENTEE REPORT

Academic Session: 2024-25

Mentor: Dr. Tanu Kalsi

Mentees: 14 Students

Details of Mentor-Mentee Sessions

During the academic session 2024-25, a total of three Mentor-Mentee sessions were conducted with 14 mentees under the guidance of **Dr. Tanu Kalsi**. These sessions were held on the following dates:

- **1st Session:** 30th November 2024
- **2nd Session:** 13th December 2024
- **3rd Session:** 30th December 2024

The purpose of these sessions was to establish a strong mentor-mentee relationship, understand the concerns of the students, provide academic and personal guidance, and support holistic development.

Key Concerns Highlighted by the Students

During the sessions, students actively participated and shared their views and concerns. The following points were prominently highlighted:

1. Curriculum Enrichment

- Students expressed a desire for **industry-oriented topics** to be incorporated into the curriculum to enhance their **career readiness** and improve their **practical knowledge** base.

2. Infrastructure Improvement

- **Drinking Water Facilities:** Students pointed out the inadequacy in the availability and cleanliness of drinking water facilities on campus.
- **Washroom Facilities:** Maintenance and hygiene levels of washrooms were highlighted as a major concern needing immediate attention.
- **Reading Space:** Students suggested the need for a dedicated **quiet space for reading and self-study** within the campus premises.

Mentor's Guidance and Interventions

Dr. Tanu Kalsi, as the mentor, addressed each concern with empathy and a solution-oriented approach:

- Students were **motivated and encouraged** to focus on their academic and personal development.
 - The mentor explained the **internal assessment mechanisms**, including **Continuous Comprehensive Assessment (CCA)**, **Class Presentations**, **Assignments**, **Class Participation and Attendance**.

- Dated 2
- Students were advised to actively participate in **college-level activities**, such as seminars, workshops, cultural and sports events, as such engagements contribute to the **overall personality development** of students.
 - Importance of communication skills, critical thinking, and industry exposure was emphasized.

Recommendations Implemented Based on Sessions

As a direct result of the mentor-mentee interactions, the following improvements and initiatives were undertaken:

1. Improvement in Facilities:

- Drinking water and washroom facilities were reviewed and subsequently **upgraded**, ensuring better hygiene and accessibility.

2. Academic and Career-Oriented Activities:

- An **industrial visit** was organized specifically for **B.Com. students**, aligning with their interest in industry exposure and practical learning.
- A **historical tour** was arranged for **B.A. 3rd year students**, aimed at enhancing their academic knowledge and cultural understanding.

These actions reflect a responsive and proactive mentoring system in place, dedicated to student welfare and development.

Conclusion

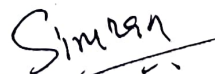

The mentor-mentee sessions held during the academic year 2024–25 proved to be **highly effective** in fostering a **supportive academic environment**. Students felt heard and valued, while the institution responded constructively to their suggestions. The timely implementation of improvements and academic excursions reflects commitment towards **quality enhancement** and **student-centric learning**.

Dr. Tanu Kalsi, as the mentor, successfully guided the mentees not only in their academic pursuits but also in their **holistic development**, motivating them to set higher goals and pursue them with dedication.

A REPORT

30/11/2024

Today, on 30th November 2024, a guest lecture was organised on 'Communication Skills' at Government College Ramshahar. Associate Professor Dr Ritika Sood was the guest lecturer from Maharaja Agrasen University Barotiwala who presented a detailed lecture on this subject through an online medium. Through the presentation, she commented on the issues of what is good communication skills, what are its benefits, how it can be made effective, what are its barriers and how good communication skills can help for a successful future. The students put their questions in front of her, which she answered and explained impressively. The officiating Principal of the college, Professor Sandeep Kumar inaugurated the program and thanked Dr. Ritika Sood for the lecture. This program was organized by Suman Kumari, co-lecturer of the English department. On this occasion, Prof DC Negi, Prof Dr. Tanu Kalsi, Prof. Shashi. K. Palnata, Prof. Ritu, Mr Sanjay Kumar and Mr Ram Thakur were present. A total of 55 students participated in the event.
