#### Overview of the Session

The program began with an introductory speech by Dr. Roshan Lal Sharma, who set the tone for the session by emphasizing the importance of menstrual health in the overall well-being of individuals, particularly adolescents. He highlighted the need for awareness and education to combat the stigma and misinformation surrounding menstruation.

#### Following aspects have been discussed:

##### 1. Adolescent Issues Related to Menstruation:

They addressed the common challenges faced by adolescents during menstruation. They spoke about the physical and emotional changes that occur during puberty and how these can impact menstrual health. They also highlighted the importance of proper nutrition, regular exercise, and stress management in maintaining menstrual health.

##### 2. Awareness of Menstrual-Related Diseases:

The session then moved to a discussion on diseases and disorders that can occur during the menstrual period. The speakers discussed conditions such as dysmenorrhea (painful periods), menorrhagia (heavy bleeding), and premenstrual syndrome (PMS). They explained the symptoms, potential causes, and the importance of seeking medical advice for these conditions. The aim was to encourage students to be vigilant about their menstrual health and to understand when to seek help.

### 3. Menstrual Hygiene Management:

They focused on the practical aspects of menstrual health, particularly hygiene management. They educated the students on the different types of menstrual products available, including sanitary pads, tampons, and menstrual cups. The importance of maintaining hygiene by changing products regularly, and the proper disposal of used products, was also stressed. They emphasized the need for accessible and affordable menstrual products for all, advocating for menstrual equity.

### 4. Addressing Stigma and Myths:

The session also tackled the stigma and myths surrounding menstruation, which often prevent open discussions about menstrual health. Dr. Roshan Lal Sharma debunked common myths and encouraged students to break the silence on menstruation by talking openly about their experiences and seeking support when needed. The session aimed to foster a more inclusive and supportive environment where menstrual health is treated as a normal and important aspect of life.

The sensitization program was highly informative and engaging, providing students with valuable knowledge about menstrual health and hygiene. The speakers were successful in addressing both the physical and psychological aspects of menstruation, as well as the societal issues that can complicate proper menstrual health management.

The event concluded with an interactive Q&A session, where students had the opportunity to ask questions and share their thoughts. The session was well-received, with students expressing a deeper understanding of menstrual health and a commitment to applying the knowledge gained in their daily lives.

Government College Ramshehar and the students expressed their gratitude to Ganpati Education Society for their efforts in organizing this essential and impactful session. Special thanks were extended to Dr. Roshan Lal Sharma, Anjana Thakur, Krishan Thakur, Balak Ram, and Anupam for their insightful presentations and for addressing the students' concerns with empathy.

Dr. Simran Ghildyal, Principal, Govt College Ramshehar appreciated their efforts and made students aware about menstrual health. She also educated students regarding personal hygiene and focus on their Cleanliness. She focused on proper menstrual waste disposal in the society. Prof. Suman Kumari coordinated the event. Dr. Tanu Kalsi and Prof. Reetu were present in the session. A total of 42 students were present in the programme.

**Report on Informative Session on RBI Quiz 90 by Career Guidance, Counselling, and Placement Cell**

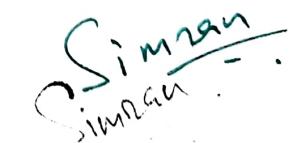

Dated : 11th Sept. 2024

Today, the Career Guidance, Counselling, and Placement Cell of Government College Ramshehar, District Solan, organized an informative session on RBI Quiz 90. The event was convened by Dr. Tanu Kalsi, who ensured its smooth execution. The session featured the Senior Manager of UCO Bank, Ramshehar branch, as the chief speaker. He provided valuable insights into the RBI Quiz and elaborated on various banking norms. Moreover, he encouraged students to consider careers in the banking sector and offered guidance on the recruitment procedures for banks. 31 students participated in the event. Participating in the RBI Quiz offers numerous benefits for students. Firstly, it provides them with a deeper understanding of banking regulations, financial literacy, and the functioning of the Reserve Bank of India, which is crucial for anyone aspiring to work in the financial sector. Additionally, such quizzes enhance critical thinking and problem-solving skills, as they require participants to apply their knowledge in real-time scenarios. Prof. Reetu played a crucial role in assisting students with their enrolment in the quiz, ensuring that all interested participants were properly registered. Dr. Simran Ghildyal, the Principal of the college, further inspired the students by emphasizing the importance of participating in such quizzes, which not only enhance their knowledge but also improve their competitiveness. The event witnessed active participation from students, who showed great enthusiasm. Faculty members, including Prof. Sandeep Kumar, Prof. Durga Chand, Prof. Suman Kumari, Prof. Shashi Kiran Palnata, and Mr. Sanjay Kumar, were also present, lending their support to the event.
